Letters of intent to apply for funding for the above-listed services are currently being accepted. Three-year contracts will be awarded to selected organizations through this open and competitive proposal process. Information on specific program information can be accessed at www.upcap.org

Please note that letters of intent must include the geographic area to be served, and be:

1. Duly authorized by the agency's governing body; and/or
2. Signed by the agency's legally authorized official.

Letters not meeting these requirements will be disqualified and returned.

The deadline for receipt of letters of intent is 4:00 p.m. EDT on June 30, 2022. Please send letters by **Certified Mail** to:
