Introductory Notes

UPCAP / U.P. Area Agency on Aging offers this directory as an informational resource to those interested in long term care facilities in the Upper Peninsula of Michigan. It includes nursing homes, adult foster care homes, homes for the aged, and assisted living facilities for each U.P. county. A list of elected officials is also included.

Please notify **UPCAP** as noted below with any directory updates or corrections.

Making a decision about nursing home care is an important choice. To help guide your decision-making process, Medicare has developed a tool at their Web site called Nursing Home Compare. This site can be used as a guide when comparing the quality of care being provided. Go to **www.medicare.gov** and click on the **Nursing Home Compare** link. If you do not have access to the Internet, contact the **U.P. Area Agency on Aging** and it will be printed and mailed to you.
