SEEKING PARTICIPANTS FOR FINANCIAL ABUSE AND FRAUD PREVENTION RESEARCH

Led by Dr. Fei Sun, a research team from the School of Social Work at Michigan State University is conducting a study aiming to increase awareness, knowledge and skills to prevent elders with cognitive impairments from financial abuse and fraud in the community.

1

DETERMINE ELIGIBILITY

The study is specifically for family caregivers who are providing informal care for a relative with dementia and/or mild cognitive decline living in Marquette or Delta County.

2

RESERVE YOUR SPOT

If you meet the eligibility criteria, please call Shannon Taylor at 906-217-3012 to reserve your spot in one of our upcoming sessions.

3

PARTICIPATE

Our next session is scheduled for May 19, 2022 via Zoom. Technical assistance will be available for participants who are new to or unfamiliar with Zoom!

Participants will receive a \$100 gift card for completing the study.
