

Seeking Participants for Financial Abuse and Fraud Prevention Research

What? We are a research team led by Dr. Fei Sun at the School of Social Work at Michigan State University. We are conducting a study aiming to increase awareness, knowledge, and skills to prevent elders with cognitive impairment from financial abuse and fraud in the community.

Who is eligible to join? Participants for two separate groups.

1. Family caregivers providing informal care for a relative with dementia/cognitive impairment.
2. Older persons with mild cognitive decline.

When? January 19, 2022 via Zoom

Where? We are recruiting participants in Delta and Marquette Counties.

Incentive for Participation: You will receive valuable information and \$100 gift card for completing this study as a token of thank you for your efforts and time.
