

**Attention:** Persons living with dementia or mild cognitive impairment (MCI).

**Did you receive all the information and resources you needed at the time of your dementia diagnosis?**

**You are invited** to participate in a focus group to share your ideas and experience about:

- Information and resources provided at the time of diagnosis.
- Information and resources that you wish were provided at the time of diagnosis.

The information you provide will help develop a written report identifying information and resources needed when a person receives a diagnosis.

**Register now!**

If are interested in participating, please email [Brenda@DementiaMinds.org](mailto:Brenda@DementiaMinds.org) or call 989-330-0290.

Space is limited so register today.

Registration deadline is January 23, 2023.
